Professional Experience

Today within the Group AOS Studley, Charles Walckenaer takes the international management of the pole Real Estate Services. He has for mission to accompany big users in the definition and the contractualization of their real estate strategy and also insures the implementation of teams dedicated to the council in real estate in the various countries where the group is present.

He is also responsible for the opening of new subsidiaries in countries where the group is not yet present.

Before joining AOS Studley, he was a Partner, director of the Offices department (department in charge of the rents and the sales of users) within the group Knight Frank.

He was senior consultant at Savills from 2002 till 2003 and began his career in 1996 within the company DTZ as the person in charge of the international customers in France.
